a precedent. Mr. Ramaiya has been in charge of the Income Tax Office since its inception. He has done very good work. He has been a hard worker & has always been ready to help others. He has done very good work in connection with the Income Tax. I see no objection to his getting the increments. He is 49 years old & has been in the service of Government for 8 years.

Office of the Registrar of Co-operative Societies
in Mysore.

D.O. No.

Dated Bangalore, 1st December *1924.*

CB 111-24-1

Dear Sir,

Till 17th December 1919 the appointment of the Registrar of Co-operative Societies was included in the cadre of Deputy Commissioners and it was then removed from that cadre and made a graded appointment of Rs. 750 -50/2- 1000 as per G.O.No.818-20/C.B.103-19-1 dated 17th December 1919. On account of the onerous duties involved and the status that it has to carry with it, the Registrar's appointment in British Indian Provinces has been held by a first grade Collector and it always carries a pay of over Rs. 1,500.

The Deputy Director of Agriculture and the Industrial Chemist draw an annual increment of Rs. 50 according to the revised grades. The Professors of the University are mostly in graded appointments carrying an annual increment of Rs. 50. The First Grade Magistrates also get an annual increment of Rs. 50. The pay of the Assistant Commissioners who were getting increments once in three years before has been recently revised and they now get an annual increment of Rs. 25. My Assistant Registrars also have been granted annual increments of Rs. 25. The pay of the Registrar has not been revised since the year 1919 I request you therefore to kindly move the Government for the alteration of the present grade of the Registrar Rs. 750- 50/2 -1000 in a suitable manner.

Yours sincerely
M.H. Ramaya
